GENERAL CATALOGUE

We are using high technology production machines and we care so much client satisfaction. We focused on dairy milk plant machines, storage and cooling tanks production, milk transportation tankers production by various dimensions, liquid beverage machines and tanks production, Sauce production machines and tanks, chemical tanks production and we providing consultancy services. Projecting, producing, assembling, disassembling, system activating and running trainings after sale service, technical support after sale services.

DESIGNING SERVICES:

As ELFTECH we are designing most useful and long lasting dairy milk and food machines. We are making design process belong our brand new products

We are providing to our customers: innovative solutions for smart food processing.

PROJECTING:

We setup Turnkey Milk Powder Plants

Milk powder plants from Elftech are in operation at dairy companies all over the world.

Based on the latest in dairy technology, the plants are designed to ensure the most efficient operation in terms of overall equipment efficiency, energy and resource consumption while producing products of the highest quality in a safe environment.

PRODUCING:

We are producing milk and liquid food transportation tanks, milk reception and measurement systems, milk storage and cooling systems, pasteurizer plants, pasteurizers and heat exchangers, hard-semi hard cheese systems, white (feta) cheese, cream cheese production units, curd production systems, butter & buttermilk production systems, yoghurt and ayran production systems, juice producing systems, ketchup mayonnaise and other sauce production systems, chemical and medical tanks.

CONSULTANCY:

We have a strong team by designers, engineers, operators and technicians. We can give easily technical consultancy and after sale services to around all world. Because we love our work. We care human health and quality feeding.

SOFT AND FRESH CHEESES PRODUCTION MACHINES

HARD SEMI-HARD CHEESE PRODUCTION MACHINES

PASTEURIZERS AND HEAT EXCHANGERS

MILK RECEPTION AND STORAGE SYSTEMS

MILK COOLING TANKS

C.I.P. SYSTEMS (CLEANING IN PROCESS)

MILK AND FOOD TRANSPORTATION TANKS

YOGHURT AND AIRAN (BUTTERMILK) PRODUCTION SYSTEMS

BUTTER PRODUCTION SYSTEMS

CURD CHEESE PRODUCTION SYSTEMS

CREAM CHEESE PRODUCTION SYSTEMS

OTHER DAIRY PRODUCTION MACHINES

**OTHER PRODUCTION MACHINES
(HONEY, JAM, KETCHUP, MAYONNAISE, SAUCES)**
